

Criminal Background Check Consent and Waiver

FOR ENROLLED STUDENTS

Authorizing UMass Chan to perform a CBC due to clinical rotation requirement

I, _____, hereby state I am an enrolled student at the University of Massachusetts Medical School (“UMass Chan”). I have been assigned and/or applied to a clinical rotation site (_____) that requires I have a satisfactory criminal background check (“CBC”) before I am permitted to participate in this rotation.

The involved clinical rotation site requires UMass Chan to perform a CBC on me and report its finding to the site. I agree to promptly provide UMass Chan with this voluntarily signed consent form to enable UMass Chan to perform such a CBC. I understand that UMass Chan has an approved process (including appeal rights) to review my CBC, and I agree to abide by their final ruling concerning whether my CBC is satisfactory such that I may participate in the involved clinical rotation. I further understand that if my CBC is unsatisfactory to UMass Chan, it may not only preclude my participation in the clinical rotation, but it may adversely impact my continued enrollment at UMass Chan. _____ (*student initials*)

In addition to all of the above, I understand and agree that if at any time during the above procedures, I refuse to provide any criminal background check consent form, such refusal may adversely impact my continued enrollment at UMass Chan. Further, to the extent necessary or permitted under any Federal, State, and/or Local law/regulation, I hereby waive any personal or privacy rights I may have only with respect to the specific matters described above.

I fully and completely understand all of the above and voluntarily sign this form.
